

Charges Related to Coronavirus(COVID-19) testing at WGH facilities are as below:

If patients utilize one of our clinic physicians or nurse practitioners for an evaluation prior to receiving an order for the COVID-19 lab test, the average visit is \$115.00. This price includes testing for flu and strep which is done in some circumstances.

The actual lab test for COVID-19 is charged at Wayne General Hospital.  
The charge for this test is \$135.00.

Insurance will be filed for insured patients, and uninsured patients will receive a discount.

If you have questions concerning the charge you can call our collections manager at [601-735-7105](tel:601-735-7105).
